

Dear Friends,

Winter 2017/Spring 2018

It seems a little chilly to be thinking about gardening, but this is the time of year that gardeners do all their planning. And we are making plans for Glencairn Garden! As you know, Glencairn Garden is a beautiful community resource and a place for friends and family to come together for picnics, prom pictures, family events, educational programs and more. Glencairn is a part of our lives and our community, but we need your support to help it grow, thrive and be a part of our community for years to come.

Everyone can be a Friend of Glencairn with an annual donation based on your preferred level of giving. In addition to supporting on-going maintenance and operation needs with your donation, you can enjoy benefits that include tickets to the BloomFest Garden Party where you'll enjoy a fun-filled evening with refreshments, beverages and enlightenment from a fascinating botanical expert!

The Glencairn BloomFest Committee is excited to announce our 2018 event dates.

- **BloomFest Garden Party - Thursday, May 17, 2018 (evening)**
Stay tuned for updates on our 2018 speaker—it's sure to be engaging and informative!
- **BloomFest Festival Event - Saturday, May 19, 2018 (9am-3pm)**

Please consider one of the enclosed sponsorship levels to assist with BloomFest costs and with on-going needs for Glencairn Garden. Feel free to contact the Parks, Recreation and Tourism office at 803-329-5620 if you have questions or need assistance.

We appreciate your support and look forward to seeing you in May at Glencairn BloomFest!

Sincerely,

Glencairn BloomFest Committee
