

**Rock Hill – Fort Mill Area Transportation Study
2035 Long Range Transportation Plan
Approved – April 24, 2009**

Contents

1	Executive Summary.....	ES-1
2	Introduction	1-1
3	Public Involvement, Goals and Policies	2-1
4	Social and Environmental Screening.....	3-1
5	Highway Element	4-1
6	Safety Element.....	5-1
7	Congestion Management Process	6-1
8	Freight Element.....	7-1
9	Public Transportation Element	8-1
10	Bicycle and Pedestrian Element.....	9-1
11	Aviation Element.....	10-1
12	Security Element	11-1
13	Financial Plan	12-1
14	Conclusion.....	13-1

“The preparation of this report has been financed in part through grant(s) from the Federal Highway Administration and Federal Transit Administration, U.S. Department of Transportation, under the State Planning and Research Program, Section 505 [or Metropolitan Planning Program, Section 104(f) of Title 23, U.S. Code. The contents of this report do not necessarily reflect the official views or policy of the U.S. Department of Transportation.”
