

2009 Earth Day Birthday Celebration Featuring the Mow Down Pollution/Lawn Mower Exchange

Bring in your operable gas powered lawn mower, drained of all fluids, to trade in for a discount on a new Neuton CE 6.2 cordless electric mower! Your old lawn mower will be recycled by York County Government.

Saturday, April 25, 2009

10:00 am - 1:00 pm

Mount Gallant Elementary School Parking Lot, 4664 Mt. Gallant Road, Rock Hill, SC across from the Museum of York County

Electric Mowers are better because:

- There's no exhaust and no noise
- They require very little maintenance
- There's no oil or gas to mix
- No sparkplug to replace and no air filter to clean

Neuton Mower Suggested Retail Price: \$499

Discounted Price without Trade-in: **\$400**

Discount with Trade-In: **\$265**

Quantities limited—First Come, First Served

In an effort to protect air quality in York, Chester, & Lancaster Counties the Lawn Mower Exchange is brought to you by:

- Catawba Regional Council of Governments
- Chester County
- Culture & Heritage Museums
- Duke Energy
- Lancaster County
- Neuton Power Equipment
- Rock Hill Clean & Green
- SC Department of Health and Environmental Control
- York County Solid Waste Collection & Recycling

Do Your Share to Spare the Air!
