APPEAL FROM BUILDING AND OTHER CONSTRUCTION CODES

The City has appointed qualified local citizens to serve on appeals boards for the various building and/or other construction codes. You may appeal staff code interpretations [as well as methods of construction] to the appropriate Board. These Boards generally do not have a regular schedule but meet as they have requests. Meetings usually can be scheduled within thirty (30) days or less. *You will be notified when the meeting has been scheduled. You or your representative must attend the meeting to detail the request and answer any questions the Board may have.*
