HELP US CREATE A VISION FOR BIKING AND WALKING CONNECTIVITY!

The Rock Hill-Fort Mill Area Transportation Study (RFATS) is undertaking an initiative to facilitate bicycle and pedestrian connectivity by creating bikeways, walkways, and trails in your community.

Join your friends and neighbors at an interactive community meeting to learn more about the Bicycle and Pedestrian Connectivity Plan and share your ideas.

RFATS is comprised of

- Rock Hill
- Fort Mill
- Tega Cay
- Unincorporated parts of York County
- The Catawba Indian Nation, and
- The panhandle of Lancaster County

KEY QUESTIONS TO HELP ANSWER

- Where are there gaps in the bicycle and pedestrian networks?
- How can we improve safety for people biking and walking so you can access shopping, school, and work?
- What would encourage you to bike or walk more?
