

6-1100 APPENDIX 6-A: LANDSCAPE PLANT MATERIALS

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST				
SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
CANOPY TREES (GREATER THAN THIRTY (30) FEET TALL AT MATURITY)				
<i>Acer barbatum</i>	Southern sugar maple		Street, perimeter and buffer yards	Best sugar maple for the South
<i>Acer rubrum</i>	Red maple	Many excellent cultivars	Street, perimeter and buffer yards, parking areas	
<i>Acer saccharum</i>	Sugar maple	'Green Mountain'	Street, perimeter and buffer yards	
<i>Acer x freemanii</i>	Freeman maple	Several excellent cultivars	Street, perimeter and buffer yards, parking areas	
<i>Betula nigra</i>	River birch	Several excellent cultivars	Street, perimeter and buffer yards	If multi-stem, minimum height is 10 feet
<i>Carpinus betulus</i>	Fastigate European hornbeam	'Fastigiata' (sometimes 'Pyramidalis')	Street yards, parking areas	Formal, columnar habit
<i>Cedrus deodora</i>	Deodar cedar		Perimeter and buffer yards, screening	Evergreen conifer
<i>Celtis laevigata</i>	All Seasons sugarberry	'All Seasons'	Street, perimeter and buffer yards, parking areas	
<i>Cryptomeria japonica</i>	Japanese cryptomeria	'Yoshino', other cultivars	Perimeter and buffer yards, screening	Evergreen conifer
<i>X Cupressocyparis leylandii</i>	Leyland cypress		Perimeter and buffer yards, screening	Evergreen tree. Not for wet areas.
<i>Fagus grandifolia</i>	American beech		Perimeter and buffer yards	For natural areas with good soil
<i>Fraxinus pennsylvanica</i>	Green ash	Several good cultivars	Street, perimeter and buffer yards	
<i>Ginkgo biloba</i>	Ginkgo	Use named cultivars only – no seedling grown trees	Street, perimeter and buffer yards, parking areas	Extremely tough once established
<i>Ilex opaca</i>	American holly		Perimeter and buffer yards, screening	Evergreen tree
<i>Juniperus virginiana</i>	Eastern redcedar		Perimeter and buffer yards, screening	Tough evergreen tree
<i>Koelreuteria bipinnata</i>	Chinese flametree		Perimeter and buffer yards	

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST

SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
<i>Koelreuteria paniculata</i>	Golden raintree		Perimeter and buffer yards	
<i>Liquidambar styraciflua</i>	Fruitless sweetgum	'Rotundiloba'	Street, perimeter and buffer yards, parking areas	No sweetgum balls!
<i>Liriodendron tulipifera</i>	Yellow poplar, tulip poplar		Perimeter and buffer yards	For natural areas with good soil
<i>Magnolia grandiflora</i>	Southern magnolia	Many excellent cultivars	Perimeter and buffer yards, screening	Evergreen tree with spreading habit
<i>Metasequoia glyptostroboides</i>	Dawn redwood		Perimeter and buffer yards	Requires lots of space
<i>Nyssa sylvatica</i>	Blackgum		Street, perimeter and buffer yards, parking areas	
<i>Ostrya virginiana</i>	American hophornbeam, Ironwood		Perimeter and buffer yards	
<i>Pistacia chinensis</i>	Chinese pistache		Street, perimeter and buffer yards, parking areas	
<i>Platanus acerifolia</i>	London plane tree	Avoid the cultivar 'Bloodgood'	Street, perimeter and buffer yards, parking areas	Cultivar 'Bloodgood' severely susceptible to ozone damage
<i>Quercus acutissima</i>	Sawtooth oak		Perimeter and buffer yards	Fast growing and very tough
<i>Quercus alba</i>	White oak			For natural areas with good soil
<i>Quercus bicolor</i>	Swamp white oak			
<i>Quercus imbricaria</i>	Shingle oak		Perimeter and buffer yards	
<i>Quercus laurifolia</i>	Laurel oak		Street, perimeter and buffer yards, parking areas	
<i>Quercus lyrata</i>	Overcup oak		Street, perimeter and buffer yards, parking areas	
<i>Quercus macrocarpa</i>	Bur oak		Perimeter and buffer yards	
<i>Quercus michauxii</i>	Swamp chestnut oak		Perimeter and buffer yards	
<i>Quercus myrsinifolia</i>	Chinese evergreen oak		Street, perimeter and buffer yards	Evergreen tree with spreading habit
<i>Quercus nigra</i>	Water oak		Perimeter and buffer yards	
<i>Quercus palustris</i>	Pin oak		Street, perimeter	Not for use in

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST				
SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
			and buffer yards, parking areas	high pH soils
<i>Quercus phellos</i>	Willow oak		Street, perimeter and buffer yards, parking areas	
<i>Quercus robur</i>	English oak	'Fastigiata'	Street, perimeter and buffer yards, parking areas	Formal, columnar habit
<i>Quercus stellata</i>	Post oak		Perimeter and buffer yards	
<i>Quercus virginiana</i>	Live oak		Perimeter and buffer yards, parking areas	Evergreen tree with spreading habit
<i>Sophora japonica</i>	Japanese Pagodatree	Several good cultivars	Street, perimeter and buffer yards	
<i>Taxodium ascendens</i>	Pondcypress		Street, perimeter and buffer yards, parking areas	
<i>Taxodium distichum</i>	Baldcypress		Street, perimeter and buffer yards, parking areas	
<i>Tilia tomentosa</i>	Silver linden		Street, perimeter and buffer yards	
<i>Ulmus parvifolia</i>	Lacebark elm	Many excellent cultivars	Street, perimeter and buffer yards, parking areas	
<i>Ulmus sp.</i>	Elm	'Regal', 'Homestead', 'Pioneer', 'Sapporo', 'Autumn Gold', 'Urban', 'Frontier', 'Patriot'	Street, perimeter and buffer yards	Elm hybrids or cultivars that are resistant to Dutch Elm Disease
<i>Zelkova serrata</i>	Zelkova	Several good cultivars	Street, perimeter and buffer yards, parking areas	
UNDERSTORY TREES (THIRTY (30) FEET TALL OR LESS AT MATURITY)				
<i>Acer buergeranum</i>	Trident maple		Street, perimeter and buffer yards	
<i>Acer campestre</i>	Hedge maple			
<i>Acer palmatum</i>	Japanese maple	Hundreds of cultivars		
<i>Carpinus caroliniana</i>	American hornbeam, Ironwood			
<i>Cercis canadensis</i>	Eastern redbud			
<i>Cercis reniformis</i>	Oklahoma redbud	'Oklahoma'		

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST				
SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
				parking areas
<i>Chionanthus retusus</i>	Chinese fringetree			Prune to tree form
<i>Cornus florida</i>	Flowering dogwood	Hundreds of cultivars		
<i>Cornus kousa</i>	Kousa dogwood	Many cultivars		
<i>Cotinus coggygria</i>	Common smoketree		Perimeter and buffer yards	
<i>Crataegus viridis</i>	Winter King hawthorn	'Winter King'	Street, perimeter and buffer yards, *parking areas	*Note: large thorns; consider location carefully
<i>Ilex x attenuata</i>	Foster holly	'Fosteri'		Tough evergreen tree, once established
<i>Ilex latifolia</i>	Lusterleaf holly		Perimeter and buffer yards, parking areas, screening	Evergreen tree, coarse textured foliage
<i>Ilex</i>	Nellie R. Stevens holly	'Nelly R. Stevens'		Tough evergreen tree, medium textured foliage
<i>Ilex vomitoria</i>	Yaupon holly	Several good cultivars	Street, perimeter and buffer yards, parking areas, screening	Evergreen tree, fine textured foliage
<i>Lagerstromia sp.</i>	Crape myrtle	Many good cultivars	Street, perimeter and buffer yards	Minimum size for multi-stem: 7 foot height.
* <i>Magnolia grandiflora</i>	Little Gem magnolia	'Little Gem'	Perimeter and buffer yards, parking areas, screening	* Only 'Little Gem' is under 30 feet at maturity.
<i>Magnolia x soulangiana</i>	Saucer magnolia, Tuliptree	Late-blooming cultivars preferred	Perimeter and buffer yards, parking areas	Minimum size for multi-stem: 7 foot height
<i>Malus baccata</i>	Jackii crabapple	'Jackii'		
<i>Malus floribunda</i>	Floribunda crabapple		Street, perimeter and buffer yards, parking areas	
<i>Malus sargentii</i>	Sargent crabapple			
<i>Malus sieboldi</i>	Sprenger crabapple	'Professor Sprenger'		
<i>Malus sp.</i>		'Adirondack' 'Baskatong' 'Calloway' 'Centurion' 'Indian'	Street, perimeter and buffer yards, parking areas, screening	Only the cultivars listed are highly disease-

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST

SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
		Summer' 'Louisa' 'Molten Lava' 'Prairifire' 'Sentinel' 'Sugar Tyme' 'White Cascade'		resistant.
<i>Myrica cerifera</i>	Waxmyrtle		Perimeter and buffer yards, screening	Evergreen tree
<i>Oxydendron arboreum</i>	Sourwood		Perimeter and buffer yards	Not for wet areas
<i>Parrotia persica</i>	Persian parrotia		Street, perimeter and buffer yards	
<i>Prunus x autumnalis</i>	Autumnalis cherry		Perimeter and buffer yards	Most cherries and plums are short-lived
<i>Prunus x bliereiiana</i>	Bliereiiana plum			Most cherries and plums are short-lived
<i>Prunus cerasifera</i>	Flowering plum, Purpleleaf plum	Many good cultivars		
<i>Prunus caroliniana</i>	Carolina cherrylaurel	Several good cultivars	Street, perimeter and buffer yards, screening	Most cherries and plums are short-lived
<i>Prunus x okame</i>	Okame cherry		Street, perimeter and buffer yards	
<i>Prunus serrulata</i>	Japanese flowering cherry	Several cultivars		
<i>Prunus x yedoensis</i>	Yoshino cherry	'Yoshino'		
DECIDUOUS SHRUBS				
<i>Cotoneaster horizontalis</i>	Rock Cotoneaster		Attractive foliage; serves as ground cover	Small (up to 4 feet in height)
<i>Deutzia gracilis</i>	Slender Deutzia		Good hedge; shrub border	
<i>Fothergilla gardenii</i>	Dwarf Fothergilla		Sun/part shade; attractive foliage/flowers	
<i>Jasminum nudiflorum</i>	Winter Jasmine		Adapts to wide range of conditions	
<i>Berberis julianae</i>	Wintergreen Barberry		Good barrier or hedge; attractive foliage	Medium height (between 4 and 6 feet)
<i>Berberis thunbergii</i>	Japanese Barberry		Heat tolerant varieties should be selected	Medium height (between 4 and 6 feet)

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST

SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
<i>Buddleia davidii</i>	Butterfly-bush		Shrub border; well drained soils	
<i>Callicarpa americana</i>	French Mulberry		Coarse open shrub; naturalistic design; massing	
<i>Callicarpa dichotoma</i>	Purple Beautyberry		Attractive foliage, form	
<i>Callicarpa japonica</i>	Japanese Beautyberry		Shrub border	
<i>Chaenomeles japonica</i>	Japanese Flowering quince		Thorny; good barrier plant	
<i>Clethra alnifolia</i>	Summersweet Clethra		Requires shade; shrub border	
<i>Hydrangea arborescens</i>	Smooth Hydrangea		Tends to spread rapidly; tolerates variety of conditions	
<i>Hydrangea macrophylla</i>	Hydrangea		Tends to spread; attractive flowers	
<i>Itea virginica</i>	Virginia Sweetspire		Prefers moist soils; naturalistic design	
<i>Kerria japonica</i>	Kerria		Tolerates wide range of conditions	
<i>Spiraea cantoniensis</i>	Reeves Spirea	'Lanceata'	Heat tolerant	
<i>Spiraea prunifolia</i>	Bridalwreath Spirea	'Plena'	Tolerates wide range of soils	
<i>Spiraea thunbergii</i>	Thunberg Spirea		Requires pruning; tolerates wide range of soils	
<i>Weigela florida</i>	Old Fashioned Weigela		Tolerates pollution; requires pruning	
<i>Calycanthus floridus</i>	Sweetshrub		Adaptable to many soils; disease and insect resistant	Large (6 feet and above)
<i>Chimonanthus praecox</i>	Wintersweet		Residential scale; shrub border	
<i>Deutzia scabra</i>	Deutzia		Coarse texture	
<i>Euonymus alatus</i>	Winged Euonymus		Tolerates wide range of soils, conditions; tolerates heavy pruning	
<i>Forsythia x intermedia</i>	Forsythia		Requires pruning; tolerates wide variety of soils	
<i>Hamamelis</i>	Witch-hazel		Naturalistic	

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST					
SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS	
<i>virginiana</i>			design; somewhat tolerant of urban conditions		
<i>Hydrangea quercifolia</i>	Oakleaf Hydrangea		Prefers shade		
<i>Philadelphus x virginialis</i>	Mock Orange	'Minnesota Snowflake'	Attractive flowers		
<i>Spiraea x vanhouttei</i>	Vanhoutte Spirea		Tough plant; attractive flowers		
EVERGREEN SHRUBS					
<i>Azalea hybrida</i>	Glenn Dale Azalea	'Glen Dale'	Low mass or groundcover; attractive flowers	Small (up to 4 feet in height)	
<i>Azalea kurume</i> (<i>Rhododendron obtusum</i>)	Kurume Azalea		Attractive flowers, form; naturalistic areas		
<i>Ilex vomitoria</i>	Dwarf Yaupon Holly	'Nana'	Withstands sun, drought; low hedge		
<i>Nandina domestica</i>	Harbor Dwarf Nandina	'Harbor Dwarf'	Low growing; graceful form; attractive foliage		
<i>Nandina domestica</i>	Dwarf Nandina	'Nana'	Low growing; attractive foliage		
<i>Abelia x grandiflora</i>	Glossy Abelia		Hedge; attractive flowers, foliage	Medium height (between 4 and 6 feet)	
<i>Aucuba japonica</i>	Japanese Aucuba		Requires shade; tolerates pollution	Medium height (between 4 and 6 feet)	
<i>Azalea kaempferi</i>	Kaempferi Azalea		Attractive flowers		
<i>Buxus sempervirens</i>	Boxwood		Hedge; can be pruned		
<i>Ilex cornuta</i>	Dwarf Burford Holly	'Burfordii Nana'	Drought tolerant; tolerates wide range of conditions		
<i>Juniperus chinensis</i>	Pfitzer Juniper	'Pfitzeriana'	Prefers moist, well drained soils		
<i>Osmanthus heterophyllus</i>	Curly Leaf Osmanthus	'Rotundifolius'	Withstands heavy pruning; tolerates urban conditions		
<i>Pieris floribunda</i>	Mountain Pieris		Needs shade; slow growing		
<i>Azalea indica</i>	Indian Azalea		Partial shade; attractive flowers		Large (6 feet and above)
<i>Bambusa multiplex</i>	Hedge Bamboo		Tends to spread		
<i>Berberis julianae</i>	Wintergreen Barberry		Barrier hedge; attractive foliage		

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST

SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
<i>Camellia japonica</i>	Camellia		Partial shade; attractive foliage, flowers	
<i>Camellia sasanqua</i>	Sasanqua Camellia		Smaller than C. japonica	
<i>Cleyera japonica</i>	Cleyera		Accent plant; tolerates pruning; shade; intolerant of wet sites	
<i>Cortaderia selloana</i>	Pampas Grass		Prune in spring; borders; hedge; screen	
<i>Cotoneaster salicifolius</i>	Willowleaf Cotoneaster		Attractive foliage	
<i>Elaeagnus pungens</i>	Thorny Eleagnus		Tolerates wide range of soils/conditions; screen; soil stabilizer	
<i>Elaeagnus umbellata</i>	Autumn Eleagnus		Tolerates urban conditions; drought tolerant	
<i>Euonymus japonicus</i>	Japanese Euonymus		Withstands heavy pruning; disease prone	
<i>Fatsia japonica</i>	Japanese Fatsia		Specimen; prefers full shade	
<i>Ilex aquifolium</i>	English Holly		Dense foliage; attractive fruit	
<i>Ilex cornuta</i>	Chinese Holly		Adapts to wide range of conditions; drought tolerant	
<i>Ilex cornuta</i>	Burford Holly	'Burfordii'	Adapts to wide range of conditions; drought tolerant	
<i>Ilex crenata</i>	Convex Japanese Holly	'Convexa'	Hardy; tolerates urban conditions/pruning	
<i>Ilex crenata</i>	Hetzi Japanese Holly	'Hetzi'	Attractive form	
<i>Ilex crenata</i>	Roundleaf Japanese Holly	'Rotundifolia'	Upright, rounded form; tolerates pruning	
<i>Ilex x</i>	Emily Brunner Holly	'Emily Brunner'	Attractive foliage; pyramidal form	
<i>Ilex glabra</i>	Inkberry		Hedge; withstands heavy pruning	
<i>Ilex latifolia</i>	Lusterleaf Holly		Specimen; requires light shade	

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST

SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
<i>Ilex pernyi</i>	Perny Holly			
<i>Ilex vomitoria</i>	Yaupon Holly		Screen; hedge; adaptable to variety of conditions	
<i>Juniperus chinensis</i>	Hetzi Juniper	'Hetzii'	Tolerates wide range of soils; rapid growth	
<i>Laurus nobilis</i>	Laurel			
<i>Leucothoe populifolia</i>	Florida Leucothoe		Erosion control; needs shade; naturalistic effect	Large (6 feet and above)
<i>Ligustrum japonicum</i>	Japanese Privet		Hedge; screen; adaptable to wide variety of conditions	
<i>Ligustrum lucidum</i>	Glossy Privet		Hedge; screen; adaptable to wide variety of conditions	
<i>Ligustrum x vicaryi</i>	Golden Privet		Golden foliage	
<i>Loropetalum chinense</i>	Loropetalum		Screen; tolerates pruning; tolerates heavy shade	
<i>Mahonia bealei</i>	Leatherleaf Mahonia		Prefers shade; coarse foliage	
<i>Michelia figo</i>	Banana Shrub		Attractive form, foliage	
<i>Myrica cerifera</i>	Wax Myrtle		Screen; attractive foliage	
<i>Nandina domestica</i>	Nandina		Needs pruning; adaptable; minimal care needed	
<i>Osmanthus x fortunei</i>	Fortune's Osmanthus		Screen; tolerates heavy pruning	
<i>Osmanthus fragrans</i>	Fragrant Tea Olive		Screen; tolerates heavy pruning	
<i>Osmanthus heterophyllus</i>	Holly Osmanthus		Screen; hedge; tolerates heavy pruning, urban conditions	
<i>Photinia serrulata</i>	Chinese Photinia		Screen; hedge; withstands pruning	
<i>Pieris japonica</i>	Japanese Pieris		Prefers shade; well-drained soil	
<i>Pittosporum tobira</i>	Pittosporum		Screen; hedge; tolerates wide range of conditions	

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST

SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
<i>Podocarpus macrophyllus maki</i>	Podocarpus		Hedge; screen; intolerant of wet sites	
<i>Prunus laurocerasus</i>	Cherrylaurel		Hedge; withstands heavy pruning	
<i>Prunus laurocerasus angustifolia</i>	Narrow Cherrylaurel			
<i>Pyracantha coccinea</i>	Scarlet Firethorn		Barrier; hedge; requires pruning	
<i>Viburnum rhytidophyllum</i>	Leatherleaf Viburnum		Attractive foliage; tolerates heavy shade	
<i>Viburnum tinus</i>	Laurestinus Viburnum		Screen; hedge; tolerates heavy shade; attractive foliage	
GROUNDCOVERS				
<i>Ajuga reptans</i>	Ajuga		Ground cover	Prefers part shade; intolerant of foot traffic
<i>Aspidistra elatior</i>	Cast-Iron Plant			Prefers part shade; large foliage; tolerates wide range of soils
<i>Cotoneaster dammeri</i>	Bearberry Cotoneaster			Barrier; slopes; rapid growth
<i>Cyrtomium falcatum</i>	Holly Fern			Shade; naturalistic areas
<i>Euonymus fortunei</i>	Wintercreeper Euonymus			Wide range of soils; sun/shade; erosion control
<i>Hedera helix</i>	English Ivy			Shade; requires pruning to keep plant in bounds
<i>Helleborus orientalis</i>	Lenten Rose			Shade; intolerant of sun/ drought
<i>Hemerocallis spp.</i>	Daylily			Sun; erosion control; low maintenance
<i>Hypericum calycinum</i>	Aaronsbeard			Sun; rapid growth; wide range of soils
<i>Juniperus</i>	Shore Juniper			Sun; wide

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST				
SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
<i>conferta</i>				range of soils; drought tolerant
<i>Juniperus horizontalis</i>	Creeping Juniper		Ground cover	Sun; urban conditions; drought tolerant
<i>Juniperus procumbens</i>	Japgarden Juniper			Sun; wide range of soils; slow growth
<i>Liriope muscari</i>	Liriope			Sun/shade; wide range of soils
<i>Lysimachia nummularia</i>	Moneywort			Sun; intolerant of foot traffic
<i>Ophiopogon japonicus</i>	Mondo Grass			Sun/shade; wide range of soils; erosion control
<i>Santolina chamaecyparissus</i>	Lavender Cotton			Sun; drought tolerant; attractive foliage
<i>Sedum acre</i>	Stonecrop			Sun/part shade; rapid growth
<i>Trachelospermum asiaticum</i>	Asiatic Jasmine			Sun/part shade; needs pruning to keep in bounds
<i>Vinca major</i>	Bigleaf Periwinkle			Shade; rapid growth; wide range of soils
<i>Vinca minor</i>	Littleleaf Periwinkle			Shade; rapid growth; wide range of soils
VEGETATION SUITABLE FOR USE AS SCREENING MATERIAL				
<i>Camellia japonica</i>	Camellia		Screening	Partial shade; attractive foliage, flowers
<i>Camellia sasanqua</i>	Sasanqua Camellia			Smaller than <i>C. japonica</i>
<i>Cedrus deodara</i>	Deodar Cedar			Accent plant
<i>Cleyera japonica</i>	Clereya			Accent plant; tolerates pruning; shade; intolerant of wet sites
<i>Cortaderia selloana</i>	Pampas Grass			Prune in spring; borders;

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST				
SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
				hedge
<i>Cryptomeria japonica</i>	Cryptomeria			Street tree; attractive foliage; protect from winter winds
X <i>Cupressocyparis leylandii</i>	Leyland Cypress			Rapid growth; attractive foliage; withstands pruning
<i>Elaeagnus pungens</i>	Eleagnus			Tolerates wide range of soils/conditions; soil stabilizer
<i>Euonymus japonicus</i>	Evergreen Euonymus			Withstands heavy pruning; disease prone
<i>Ilex x</i>	Nelly Stevens Holly	'Nellie R Stevens'		Drought tolerant; pyramidal
<i>Ilex x attenuata</i>	East Palatka Holly	'East Palatka'		
<i>Ilex x attenuata</i>	Foster Holly	'Fosteri'		Tolerates urban conditions; good for tight spaces
<i>Ilex aquifolium</i>	English Holly			Dense foliage; attractive fruit
<i>Ilex cornuta</i>	Chinese Holly			Adapts to wide range of conditions; drought tolerant
<i>Ilex cornuta</i>	Burford Holly	'Burfordii'		Upright, rounded form; tolerates pruning
<i>Ilex crenata</i>	Japanese Holly			Hedge; urban conditions
<i>Ilex latifolia</i>	Lusterleaf Holly			Specimen; requires light shade
<i>Ilex opaca</i>	American Holly			Pyramidal form; attractive foliage, fruit
<i>Ilex opaca</i>	Savannah Holly	'Savannah'		
<i>Ilex pernyi</i>	Perny Holly			
<i>Ilex vomitoria</i>	Yaupon Holly		Screening	Tolerates wide range of soils

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST				
SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
<i>Juniperus virginiana</i>	Eastern Redcedar			Dense; mass plantings; long lived;
<i>Ligustrum japonicum</i>	Japanese Privet			Hedge; adaptable to wide variety of conditions
<i>Ligustrum lucidum</i>	Glossy Privet			Hedge; adaptable to wide variety of conditions
<i>Loropetalum chinensis</i>	Loropetalum			Tolerates pruning; tolerates heavy shade
<i>Magnolia grandiflora</i>	Southern Magnolia			Large scale; attractive foliage; litter problem
<i>Magnolia virginiana</i>	Sweetbay Magnolia			Tolerates wet site
<i>Myrica cerifera</i>	Southern Waxmyrtle			Pruned screen; tolerates infertile soils
<i>Osmanthus x fortunei</i>	Fortune's Osmanthus			Tolerates heavy pruning
<i>Photinia glabra</i>	Red Photinia			Hedge; bright red foliage
<i>Photinia serrulata</i>	Chinese Photinia			Hedge; withstands pruning
<i>Pinus nigra</i>	Austrian Pine			Tolerates drought, heat; wide range of conditions
<i>Pinus sylvestrus</i>	Scotch Pine			Tolerates wide range of conditions
<i>Pinus thunbergiana</i>	Japanese Black Pine			Residential scale; tolerates low moisture
<i>Prunus caroliniana</i>	Carolina Cherrylaurel			Hedge; tolerates heavy pruning
<i>Prunus laurocerasus</i>	Cherrylaurel			Hedge; tolerates heavy pruning
<i>Prunus laurocerasus</i>	Schipka Laurel	'Schipikaensis'		Wide spreading form
<i>Thuja occidentalis</i>	American Arborvitae			Tolerates pruning

CITY OF ROCK HILL LANDSCAPE PLANT MATERIALS LIST

SCIENTIFIC NAME	COMMON NAME	CULTIVAR	RECOMMENDED USE	COMMENTS
<i>Viburnum rhytidophyllum</i>	Leatherleaf Viburnum			Attractive foliage; tolerates heavy shade
