### CERTIFICATION

**The applicant understands that this certification is not an agreement to serve AND to be insured of receiving service, a UTILITY SERVICE REQUEST\* must be completed and approved according to the current UTILITY EXTENSION POLICY\*\*.**

\* The UTILITY SERVICE REQUEST AGREEMENT requires a copy of the Deed OR Plat for this Property be attached in order to process the application. Also, for properties located outside of the corporate limits to receive access to water and/or sewer service, the owner(s) of the above-mentioned property must sign an agreement placing a restrictive covenant on the property. The agreement obligates the owner(s) and all future owner(s) to sign annexation petition(s) when requested by the City at any time in the future when annexation of the area becomes feasible. It also authorizes Spencer & Spencer P. A., as Attorneys in Fact for the Owner, to sign annexation petitions.

\*\* THE UTILITY EXTENSION POLICY STATES, "In order for properties located outside of the corporate limits to receive access to water and/or sewer service, the owner(s) of the above-mentioned property must agree to annex immediately [if contiguous] or sign an agreement placing a restrictive covenant on the property. The agreement obligates the owner(s) and all future owner(s) to sign annexation petition(s) when requested by the City at any time in the future when annexation of the area becomes feasible. In addition, the applicant must agree to develop in compliance with the City's land use, development and design standards. City Council approval is required unless the proposal is for a single-family detached development that complies with the density standards of the SF-2 zoning district."

**THE APPLICANT UNDERSTANDS AND AGREES TO THE REQUIREMENTS HEREIN STATED.**
