FIRE HYDRANT FLOW TEST REQUEST

Please attach a map showing the location of the hydrants to be tested and a test fee of \$100. Checks should be made payable to City of Rock Hill. Your test results will be returned to you within fourteen (14) days. Please submit your test request to the Planning and Development Department.

Please note that the City of Rock Hill can only perform tests on City Owned Hydrants. You can contact the Planning and Development Department at 803-329-5590 to verify hydrant ownership. With the Owner's permission, privately owned hydrants can be tested by qualified independent agents.
