FIRE HYDRANT FLOW TEST REQUEST

WHEN TO USE THIS FORM

Use this form to request that the City of Rock Hill test a City-owned fire hydrant. This is commonly required for new developments and for new fire sprinkler systems that are being installed in existing buildings.

Qualified independent agents can test privately-owned fire hydrants with the permission of the property owner. Please contact us if you are not sure whether a fire hydrant is owned by the City or is privately owned.

APPLICATION PROCESS

- 1) Complete the following information and email this form to utility.dispatch@cityofrockhill.com.
- 2) Pay the \$100 fee by credit or debit card. An invoice will be sent via email.
- 3) We will complete the test and issue the results to you within approximately 14 days.

Name: _____ Business: _____

Mailing Address: _____

Phone: _____ Email: _____

Reason for Request:

- New development
- Addition of fire sprinkler system
- Other: _____

Hydrant Address: _____

Description of location of hydrant to be tested or map reference:
